Dear Mr. Moore:

Attached in triplicate is Whiting Petroleum's notice of intention to abandon the subject well. The outlined procedure is per our April 7, 1993, phone conversation. I delayed sending this notice to you until the necessary approval of Whiting's working interest partner was obtained. Once you have approved the plugging procedure, we intend to plug the well as soon as a rig is available.

Very truly yours,

WHITING PETROLEUM CORPORATION
