COGCC Inspection Report Summary

\*\*Weather Conditions: cloudy, mud, approx. 2" of snow

On Tuesday, February 21, 2023 at approximately 11:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at VARRA #7 (Extraction Oil & Gas), at API #: 05-123-39987 in WELD COUNTY Colorado.

While there, I observed a producing wellhead.

During this inspection the following possible compliance issues were observed:

1. It appears to be stained soil at the wellhead. Conduct maintenance on equipment, cleanup stained material and review self inspection processes per Rule 1002.(2).D.

(Corrective Action Date: February 28, 2023) See attached photo #3.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
