RE: HANKINS 1 RE-ENTRY  
Township 5 North, Range 67 West 6<sup>th</sup> PM  
Section 22: NENE  
Weld County, Colorado

Hello Mr. Hankins:

The abandoned HANKINS 1 well located on L&T, LLC property described above needs to be re-entered and re-plugged to improve the integrity of the well bore. Prior to commencement of those operations, the Colorado Oil and Gas Conservation Commission requires the Operator to inform you, and to secure your agreement to the procedures. A plat is enclosed in order to provide its approximate known location. We need to locate the abandoned wellhead below grade, bring it back to the surface, and plug it according to the current rules and regulations. Once this is completed, Kerr-McGee Oil & Gas Onshore LP ("KMOG") will cut it below grade and reclaim all disturbed areas.

Please acknowledge your receipt of this notice and your consent to the proposed operations by signing, dating and returning this letter to the undersigned.

Very truly yours,  
KERR MCGEE OIL & GAS ONSHORE LP
