RE: Lease Violation Notice

Lease : Blomenkamp #3
Field : Big Beaver
County : Washington
Location: NE SE 17-35-56W

Gentlemen:

An inspection was made of the lease(s) shown above. The following marked conditions were observed to exist at the time of the inspection.

- ☐ Oil accumulation on the water in the retaining pit
- ☐ Tank Berm required or in need of repairs
- ☐ Covered skim pit or tank required
- ☐ Tank identification number missing or incorrect
- ☐ Wellhead sign required per rule 210(a), 604(c)
- ☐ Oil spilled at wellhead or tank battery
- ☐ Weeds, debris or waste material observed at site

REMARKS: The #3 has been left open with out cap on casing. Please secure, or submit P+A intent.

The above condition(s) should be corrected immediately. Any surface accumulation of oil in the retaining pits must be cleaned within ten (10) days after receipt of this notice (Rule 328), and a written report or sundry notice submitted to this office within thirty (30) days after the work is accomplished, advising us of the date and manner in which the correction is made. Any person who fails to comply with this request is subject to the penalties as provided for under statute 34-5-121 of the Colorado Oil and Gas Conservation Act.
