Hi April,

CPW has reviewed the proposed reclamation plan and associated seed mix. We do not have any concerns or additional recommendations for you at this time. If we can provide any additional information, please feel free to get in touch with us.

I will follow up on the two other consultation requests shortly.

Thanks!

Taylor,

Per COGCC rules, I'm seeking your approval for the following actions that will require a form 4 submittal for Wexpro Company's reclamation project located in High Priority Habitats:

- Ace 8 (05-081-05488, NWNW-34-12N-97W): Please see the attached reclamation plan and seed mix.
- Greater sage grouse general habitat management area

All areas will be drill seeded and crimped with straw mulch for moisture retention. In areas where drill seeding is not possible, seed will be broadcast, doubling the application rate.

Form 4 will be submitted upon your approval.

Thank you,

**April Stegall**
