Dear Mr. Rogers:

Drilling permit No. 68-66, dated March 6, 1968, was issued by your office to drill North Douglas Creek No. 3 (Gov't.) located in the NE/4 Section 3, T2S, R102W, Rio Blanco County, Colorado. Because Well No. 2 in the SW/4 Section 28, T1S, R102W was recently completed as a dry hole, drilling of Well No. 3 has been postponed pending further engineering study of the area.

It is requested that you hold the \$75 drilling fee in abeyance. We will use it when we submit our next Notice of Intention to Drill. → 68-233

Very truly yours,

*J. E. Whitman*
