Corrective Action:	912b(4)(A-D)In addition to the Form 19 – Initial, the Operator will file a Form 19 – Supplemental notmore than 10 days after the Spill or Release is discovered that includes: (see rules for A-D, would not fit here)		Date: 04/04/2023

In Containment: No

Comment: Operator was in the process of removing tarp where the spill occurred (see attached photos). Worked was stopped and the inspector was not able to see area under the tarp. See spills on containment including produced water and frac sand. The photo of the ditch on the north side of the sound wall may have received spill materials.
