**General Comment:**

COGCC Inspection Report Summary  
 On 03/23/2023 at approximately 13:56 hours, I, Compliance Specialist, Wayne Smelser  
 Conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC YOUBERG RU 13-7 pad  
 Location # 323944 in Garfield County Colorado.  
 This location is within black bear habitat & within close proximity to a CPW Density/High Priority Habitat.  
 While there, I observed normal production operations.

During this inspection the following compliance issues were observed:

1. Signs/Marker - Battery sign has some info that is illegible with a CA date of 04/23/2023
2. Meter calibration info not conspicuously posted with a CA date of 04/03/2023

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  
 This is a summary of inspection report.
