This Cause came on for further hearing before the Commission on May 12, 1955, at 10:00 a.m., in the Mezzanine Room of the Shirley Savoy Hotel, Denver, Colorado, after submission of Waiver of Service by adjoining property owners as required by law, on the petition of L. The Commission finds as follows:

1. That due notice of the time, place, and purpose of the hearing has been given in all respects as required by law.
2. That the Commission has jurisdiction over the subject matter embraced in said notice, and of the parties interested therein, and jurisdiction to promulgate the hereinafter prescribed order.
3. That the requirement to drill the well at the authorized location on the unit on which exception is requested would be inequitable or unreasonable.
4. That an exception to Order No. 44-1 should be allowed for a well to be drilled on the following described location:

Center of the Northwest Quarter of the Northwest  
Quarter of the Northwest Quarter (NW/4 NW/4 NW/4)  
of Section Seven (7), Township Three (3) South,  
Range Fifty-six (56) West of the 6th P.M., Wash-  
ington County, Colorado,

and that said well should be the permitted oil or gas well for the drilling and spacing unit upon which it is located.
