<p><b>COGCC Inspection Report Summary</b>                      On Wednesday 4/5/2023 at approximately 11:30 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Noble Energy Bernhardt 1-11 location #329449 in Weld County, Colorado.                      While there, I observed trash next to the wellhead. The following possible compliance issues were observed: Rule 606. with a corrective action date of 4/21/2023.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	04/05/2023
