<p>Facility: OD11 Gathering Line</p> <p>Description: Final excavation. View from north wall.</p> <p>Date: 2022-12-02</p>	 <p>The photograph shows a deep, narrow excavation trench. A large, dark, flexible pipe is laid across the trench, supported by the earthen walls. The soil is light brown and appears to be a mix of sand and silt. In the foreground, there is a section of orange plastic safety netting. The background shows a hillside with sparse vegetation and a fence line.</p>
