Good morning All,

Our software glitch has been resolved. I was reviewing the files and noticed that I do not have the COA acceptance from Chevron.

Assuming the other Form 9 requirements are met, all Form 9s shall now be passed with the following two COAs:

The Buying Operator must file a Form 3, Financial Assurance Plan within 10 business days of Form 9 approval. Per Rule 702, Buyer will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission's approval of the Form 3, Financial Assurance Plan.

The Selling Operator must file a Form 3, Financial Assurance Plan within 10 business days of Form 9 approval. Per Rule 702, Seller will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission's approval of the Form 3, Financial Assurance Plan.

Please note that each operator needs confirm that it will abide by the aforementioned COA by responding to this email. The correspondence will be uploaded to the form.

If the operators have submitted a Form 3, please provide the following comment when submitting the revised Form 3.

Form 3 Document # ____ is submitted as a result of an approved Form 9 Transfer of Operatorship and it replaces Form 3 document # ____.

As soon as I have the COA acceptance from Chevron, I can get transfer files cleaned up and approve the transfers.

Thanks,
Deb
