COGCC Inspection Report Summary

**Weather Conditions: cloudy, dry ground

On Tuesday, April 25, 2023 at approximately 14:00, I, Inspector Brittani Santistevan, conducted an on-site inspection at RAINDANCE 26-352HNX (PDC Energy), at API #: 05-123-35095 in WELD COUNTY Colorado.

While there, I observed a producing wellhead.

During this inspection the following possible compliance issues were observed:

1. It appears there is stained soil surrounding casing. Conduct maintenance on equipment, cleanup stained material and review self inspection processes per Rule 1002.(2).d

(Corrective Action Date: May 25, 2023) See attached photos #3-4.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report
