COGCC Comments		
Comment	User	Date
<p>COGCC Inspection Report Summary On Wednesday 5/10/2023 at approximately 10:35 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the KPK Bernhardt 7-16 Tank Battery location #448358 in Weld County, Colorado. While there, I observed that the DCP gas sales meter station #235095 appeared to have current product sold. The following possible compliance issues were observed: Immediately cease all gas sales pursuant to Order 1V-863 with a corrective action date of 2/23/2023. Further gas sales from this battery is a violation of Rule 219 and Order 1V-863. Wells associated with this battery are Bernhardt 7-14 API #123-22655 and Bernhardt 7-16 API #123-22698. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	05/10/2023
