RE: Third Request for Delinquent Reports

Dear Mr. Brandly:

On May 23, 1985, we approved your change of operator request (OGCC Form 10) for Dune Ridge Unit, transferring responsibility from Milinda Oil to your company. There are three wells in which we have received no response from you on their current status and future plans:

Dune Ridge WFU #6 ~~WI~~
NWSE 32-7N-52W

Dune Ridge WFU #4R-WI
SWSE 29-7N-52W

Dune Ridge WFU #9-WI
NWNW 5-6N-52W

You are hereby requested to submit an individual Sundry Notice (OGCC Form 4) for each of these wells describing their status and your plans for each. Should you fail to respond in writing to this letter by May 15, 1987, the matter shall be brought for hearing before the Commission at the next available date for you to show cause why a penalty should not be assessed against you for non-compliance with the Rules and Regulations of the Commission.

Very truly yours,

William R. Smith
