**General Comment:****COGCC Inspection Report Summary**

On Wednesday, 06/07/2023, Inspector Kirby Burchett, attempted to conduct a routine field inspection at Peakview Operating Company LLC on the Noland 1-15 well, Location #312904, in Moffat County, Colorado.

Any Corrective Actions from previous Inspections are still applicable.

While attempting to reach location encountered a lock gate. Called emergency contact who did not have the gate combination. Referred me to Wayne Wise who did not have the gate combination either. This creates the following compliance issues.

1. Location is not accessible during normal business hours.
2. Emergency personnel need access to location at all times.

A follow up on this site inspection will be conducted to ensure all compliance issues have been corrected to comply with COGCC rules.
