Comment:

Corrective Action:	<p>The well location appears to meet final reclamation regulations and standards. The well pad access road does not comply with Rule 1004. Reclamation rules require reclamation activities to be conducted within three months of plugging on cropland. Well was plugged 4/18/2018. The access road has bare ground throughout the disturbance and does not appear reflective of adjacent crop reference area.</p> <p>The tank battery is associated with the Edwards 43-9 well API #123-20867 and is not associated with this inspection report.</p> <p>Comply with Rule 1004. Collaborate with the landowner to allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production.</p> <p>The corrective date is not intended to be the date for which the Operator shall complete the corrective actions but rather the corrective date is the date the location was observed out of compliance.</p>	Date _____
