## Narrative

**Include specific incident information and mitigation actions taken to stop and clean-up the spill/release**

A compromised produced water dumpline resulted in a spill that daylighted to the ground surface. The spill was caught quickly and subsurface impacts are expected to be minimal. The impacted soil will be removed following utility locates and hauled for disposal. Confirmation soil samples will be collected in compliance with COGCC Table 915-1.

**Acknowledgement**

I acknowledge that a written follow-up notice must be submitted to Weld County OEM/LEPC as soon as practicable after the release. The follow-up notice must update information included in the initial notice and provide information on actual response actions taken and advice regarding medical attention necessary for citizens exposed.
