Oil & Gas Conservation Commission
State Services Building
1525 Sherman Street
Denver, Colorado

Gentlemen:

Pursuant to your verbal approval of our employing an oil metering device on our Van Gundy lease in Section 2, Township 7 North, Range 54 West, Logan County, Colorado, this is to advise that we have installed a ten foot BS&B Vertical Metering Separator to meter the oil from #1-B Van-Gundy. We agree to keep the separator in good working order and periodically check it for accuracy.

Very truly yours,

BANDER & COUCH

J.H. Bander
