Inspection Photos  
Location Name: RYDGREN #8-1  
Location ID: 322698

**Photo 1.** Photo taken from the well location, facing Southeast. Photo illustrates the well location is not reflective of reference areas. Well location consists mostly of annual weeds, while the reference area consists mostly of a perennial grass, Crested wheatgrass.

**Photo 2.** Reference photo taken from the well location, facing Southwest. Photo illustrates a field of Crested wheatgrass.

Inspection Photos  
Location Name: RYDGREN #8-1  
Location ID: 322698

**Photo 3.** Photo taken from the northern portion of the associated tank battery location, facing East. Photo illustrates the northern portion of the tank battery consists mostly of annual weeds.

**Photo 4.** Photo taken from the southern portion of the associated tank battery location, facing South. Photo illustrates a mix of perennial grasses and some annual weeds. The perennial grasses are not reflective of the reference perennial grass, Crested wheatgrass.

Note- utility services traveled into the southern portion of the tank battery for maintenance work.
