RE: Request for Tight Hole Status
Cheryl Lynn # 1
Township 7 North, Range 53 West
Section 21, CN 1/2 NW 1/4
Logan County, Colorado

Dear Mr. Kerr,

Crown Petroleum LLC. respectfully requests that the subject well be given a Confidential/Tight Hole Status for the maximum allowable time period. Crown is currently conducting leasing activity within the immediate area and disclosure of our results on this well would seriously compromise our efforts.

Thank you for your consideration in this matter.

Sincerely yours,

Jay Deason, Manager
