Re: Shenandoah Oil Corporations proposed
3400 foot Topeka Gas Test to be located
1320' East of WL & 2640' South of NL of
Section 12, T33S - R42W, Baca County,
Colorado.

Gentlemen:

Shenandoah has advised this company that it desires to drill a Topeka well at the above captioned location in Section 12, T33S - R42W, which section is currently included in the Greenwood Field Topeka-Lansing Gas Production Order #34-2.

This is to advise that by execution of this letter Horizon Oil & Gas Co. of Texas, evidences the fact that it has no objection to the drilling by Shenandoah of said well at the above described location and that it hereby gives its consent to any emergency orders concerning the drilling of said well which may be issued by the Oil & Gas Conservation Commission, which orders we understand would stay in effect until December 6, 1966, or until replaced by a subsequent order.

Yours very truly,

HORIZON OIL & GAS CO. OF TEXAS
