November 4, 1966

RE: Shenandoah Oil Corporation
Proposed 3400' Topeka Gas Test
located 1320' East of the West
Line and 2640' South of the
North Line
Section 12-33S-42W
Baca County, Colorado

Colorado Oil & Gas Conservation Commission
Room 312
1525 Sherman Street
Denver, Colorado

Gentlemen:

Shenandoah has advised this company that it wishes to drill the captioned test which section is located in the Greenwood Field, Topeka - Lansing Gas Production, Order 34-2.

By execution of this letter Skelly Oil Company has no objection to the drilling of this well at the above location and gives consent to any emergency orders for the drilling of said well which may be issued by the Colorado Oil & Gas Conservation Commission; which orders would stay in affect to December 6, 1966 or until replaced by a subsequent order.

Very truly yours,

SKELLY OIL COMPANY
