General Comment:

On 7/31/2023, Reclamation Specialist Trujillo conducted a final reclamation and stormwater inspection for abandoned wells at Caerus Piceance LLC's KRK-67S92W 7NESW location in Garfield County, Colorado.

The following compliance issues were observed during this inspection:

- Contouring/Backfilling abandoned wells
- Good Housekeeping

Refer to the "Reclamation" and "Location" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable; The "Date of Discovery" is being provided as the corrective action date for all new observed compliance issues. Location will remain out of compliance until corrective action(s) has(have) been resolved and a follow up inspection will be conducted to ensure the compliance issues have been corrected to comply with ECMC rules.

Comment

No immediate reclamation issues observed at time of inspection; Undesirable Plant Species not observed. Interim areas appear to have achieved a uniform desirable establishment, though it is noted that species observed are predominantly introduced, such as Smooth Brome and Crested Wheatgrass.

Continue to monitor and manage reclamation areas until site receives a passing final reclamation inspection.
