COGCC Inspection Report Summary On Wednesday 8/9/2023 at approximately 09:30 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Nelson 31-33 location #306655 in Weld County, Colorado. While there, I observed that the wellhead sign was not posted. The following possible compliance issues were observed: Rule 605.d. with a corrective action date of 11/10/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.	petersont	08/09/2023
