Dear Mr. McKee:

I have tried to reach you on several occasions. I am sending you the form you requested a signature. I have talked with my insurance agent and he can remember me asking him to get a bond but he says I later told him that we were not in need of one. I can't recall the reasons nor can I find any correspondence on this matter. Please forward to me again the necessary papers for us to comply with the requirements.

Thanking you in advance for your attention to this matter.

Sincerely,

Charlene Sherwood
