Sec. 23-T33S-R43W
Baca County, Colorado

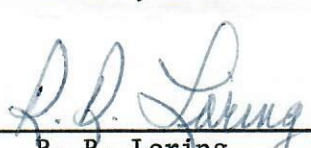

Gentlemen:

Please refer to your letter of December 1, 1966, on the above-referenced wells. This is to advise that the location has been cleared and the pits filled at the No. 1-16 State-Duncan. Most of the cleanup work has been completed at the No. 1-23 Schweizer except for the reserve pit. This pit has been crowded, but is still too wet to complete the job.

Very truly yours,

W. C. McBRIDE, INC.
