Plugging Bond No. 976966
Obligee: State of Colorado

Dear Sirs:

Attached is your transmittal letter of March 17, 1964, and
invoice No. 2798, dated April 19, 1964.

We have turned the operations of this well over to Horizon Oil
and Gas Company -Operators, as of September 30, 1963. In fact, we have
only a small interest remaining in the well. Nevertheless, we are no
longer the Operator and do not have the responsibility for plugging the
well out at the end of its productive life.

Please cancel this Plugging Bond for us.

Very truly yours,

Ralph W. Henson
