Gentlemen: Re: Hefley #1 - SW/4 NE/4 of Section
34, Township 29 South, Range 44 West,
BACA COUNTY, Colorado

Reference is made to the dry hole located on the above captioned property owned by me. You have plugged this well back to 435 feet, leaving the surface pipe to that depth in the hole at my request, as I wish to use the hole for developing an irrigation well.

This will advise you that I agree to indemnify and hold you harmless from any suits, demands, claims or actions that may be brought, arise out of, or in connection with the use of this hole and surface pipe located therein.

It is the intention of this letter to assume liability for all matters that may arise out of this well on or after this date.

Yours very truly,

A. B. Hefley
