Dear Sir:

All site work concerning the location preparation, drilling and plugging (P&A'g Sundry Notice sent in 1/28/88 & Well Completion Report sent in 5/10/88) and location rehab was completed 5/20 to 5/26/88 on the captioned well. Hence H & M Oil Producers-Davis Petroleum Co. are requesting that our \$5,000.00 C.D. you hold in lieu of a single well bond be released back to us so that its 6/23/88 renewal won't be necessary. Thank you for expediting this matter if at all possible.

Sincerely yours,

M. Thomas Webster
