Re: 11-480-634 - Ben Vonburg, Carl Losey & Walter Hawkins dba  
Hawkins Drilling Co. - Well Drillers Bond \$2,000

Gentlemen:

On August 8, 1958, we wrote you trying to secure cancellation evidence on the above captioned bond, and to date we have not heard from you. We have been advised that the lease on the land granted for drilling has expired and Hawkins Drilling Company is no longer in business. Our bond was executed May 8, 1948, and we do not have a description of the land or a lease number. The bond is entitled Section 5., Bond of Oil and Gas Operator for Drilling Operations on Patented Land. We trust this will give you enough information to locate your file and advise whether our liability under this bond has terminated.

We are enclosing a prepaid, self-addressed envelope for your convenience in replying.

Yours very truly,

*Owen D. West*
