Dear Mr. Broadhead:

In April 1963, our Mr. Carrol advised that you had plugged the No. 1 Stiner well located in the SE NE NW, Section 24, Township 2 North, Range 3 West, Mesa County, Colorado, to the top of the perforations and that you intended to pull the pipe in the near future.

We have heard nothing from you since that time and would appreciate being advised of what has transpired and what your plans for the well are.

Your prompt attention to this matter will be appreciated.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO
