Re: Bond 274778

Gentlemen:

Our man in Durango checked the No. 1 Stiner well on April 14, 1962. He was informed by Mr. Broadhead that the casing in the hole will be pulled and the well plugged. This work is to be done in the near future.

Before the bond can be released, a Form 5, Completion Report and Form 6, Plugging Report, must be filed with us.

Very truly yours,  
OIL AND GAS CONSERVATION COMMISSION

D.V. Rogers, Deputy Director
