Re: Oil & Gas Drilling Bond  
Norman A. Brethouwer, State of Colorado- Bond No 374778 - 6092

Dear Mr. Rogers:

We seem to be in one horrible mess. When this bond was issued it was from some company in Kansas City, I believe, that has since been desolved, and Dr. Norman Brethouwer had a little bit of stock in this corporation, and consequently they talked him into filing for the oil & gas drilling bond. They have long since ceased operation and as a matter of fact have ceased to exist. And Dr. Brethouwer knows nothing about Oil & Gas Drilling Bonds and we in turn are faced with the problem of trying to cancel the bond and finding ourselves unable to do so, due to the fact that we do not have a plugging and completion report. There simply doesn't seem to be any way to go from here. Could you please give us some assistance.

Very truly yours,  
Ralph P. King Agency
