Re: Bond No. 374778-6092
Norman A. Brethouwer

Dear Sir:

We are in receipt of your letter of September 28 regarding the above bond. From the information you have given, we have little to go on. We do not have a Norman A. Brethouwer as an operator.

If you will give us the location of the well involved as to Section, Township and Range and whether it was on patented, state or government land we then may be able to assist you.

Our well files are arranged as to location of well and operator. We are sorry we cannot help at this time.

Very truly yours,
OIL AND GAS CONSERVATION COMMISSION

D.V. Rogers, Deputy Director
