RE: Camp 31-25  
Township 3 North, Range 66 West 6<sup>th</sup> PM  
Section 25: NWNE  
Weld County, Colorado

Dear Joan and Phyllis:

The abandoned Camp 31-25 well located on your property as described above needs to be re-entered and re-plugged to improve the integrity of the well bore. Prior to commencement of those operations, the Colorado Oil and Gas Conservation Commission requires the Operator to inform you, and to secure your agreement to the procedures. Please see the aerial attached which identifies the approximate location of the abandon well. Upon completion of the operations all disturbed areas will be reclaimed.

Please acknowledge your receipt of this notice and your consent to the proposed operations by signing, dating and returning this letter to the undersigned.

Sincerely,  
KERR MCGEE OIL & GAS ONSHORE LP

Colleen Nealy  
Kerr-McGee Oil & Gas Onshore, LP

I understand that a well will be re-entered and re-plugged on my land and I consent to those operations.

Phyllis Nelson
