

OIL & GAS  
CONSERVATION COMMISSION

Dear Mr. Smith:

Mr. R. R. Bradley's address is: 1036 North Tuxedo, Indianapolis, Indiana, he is the operator and lease holder of No. 1, Bareus well. He has a contract with Western Slope Gas Company. He also has a bond, which replaced mine, with Griffin-Moll, Grand Junction, Colorado, who are the writers of the bond.

The last information I had from Mr. Bradley was that they were going to abandon the Bareus No. 1 as soon as they could make arrangements.

We have forwarded on to Mr. Bradley, your letter of September 5th, 1961, and the necessary forms for him to complete on Bareus No. 1 well.

Because the No. 2 Globe Guccini was abandoned to meet your specifications by cementing within five feet of the surface and cutting the casing off there, that should be all that is necessary. If there is anything else we can do to help, please let us know.

Thanking you, I am,

Yours very truly,

W. J. Mason  
1025 Laurel Avenue  
Las Vegas, Nevada.
