Dear Sir:

On July 6th we wrote you asking for the completion report on your # 2 Globe Reynolds lease in the SESW of Section 18, Township 2N-Range 2 W, Mesa County, Colorado.

According to our files this completion has not come in and wish to advise that in order to have your bond cancelled, it will be necessary for you to send in this report so that well file can be closed. Your cooperation is needed.

This also applies to your # 2 Guiccini lease.

Very truly yours,  
OIL AND GAS CONSERVATION COMMISSION
