Dear Mr. Bush:

There are two matters I would appreciate having cleared up for me. The first pertains to your No. 14 Ute Government well located in the SE SE, Section 10, Township 33 North, Range 18 West, Montezuma County, Colorado. In April you advised that you were testing and anticipated additional information in a month. Would you please advise us of the present status of this well and your plans for it in the immediate future.

The second matter has to do with the Walter Broadhead No. 1 Stiner well located in the NE NW, Section 24, Township 2 North, Range 3 West, Mesa County, Colorado. We have been advised that you plugged this well for Mr. Broadhead, and since we are unable to obtain any information from him, we would appreciate anything you could give us on the plugging. The enclosed OCCC Form-6's are for your convenience. ✓

Very truly yours,

OF THE STATE OF COLORADO
