Gentlemen:

We are returning OGCC Form-4 "Sundry Notices and Reports on Wells" unapproved, since first, we must have OGCC Form-2 "Notice of Intention to Drill" in triplicate. Upon receipt of Form-2 it will be approved and a copy returned to you.

Also, we require a "Designation of Agent" for all wells drilled, and a bond if the well is located on patented or fee lands.

Enclosed are blank forms for your convenience.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO

J. J. DeSalvo, Assistant Pet. Engr.
