Date March 28/58

William J. Mason

Box 295 Fruita, Colo.

Gentlemen:

We are in need of form OGCC-10 (Producers Certificate of Clearance and Authorization to Transport Oil or Gas from a lease) on the following:

<u>Lease</u>	<u>Location</u>	<u>Field</u>	<u>County</u>
--------------	-----------------	--------------	---------------

✓ # 1 Barcus      11-2N-3 W      Mack Creek, Mesa..

gas well..

# 1 Rich Gov. 6-8S-102 W Garmesa, Garfield.... Dec. 18/57 last report temp.shut in.  
Is present status the same? Thank you.

Triplicate copies are required on each lease. If this information is not available at this time, please advise. Thank you.

Oil and Gas Conservation Commission

Leona Doucette

The two wells mentioned above, Barcus # 1 and Rich Gov. # 1, are both shut in. If there is any change on either we will inform you. Thanks.
