Mr. W. J. Mason  
P.O. Box 295  
Fruita, Colorado

Dear Mr. Mason:

This is written with reference to three wells drilled by you on which we have no records.

These wells are the Gov't. No. 1 in Section 9-T-8S, R-101W; the Gov't. No. 2 in Section 9, T-8S, R-101W, and the Gov't. No. 3, in Section 8, T-8S, R-101W.

As explained in the letter by Mr. Smith on July 6, 1960, these wells have been drilled in violation of the Commission's rules and regulations. You have failed to file an intention to drill, or completion report on any of these wells. If the wells were dry, a plugging record is also required.

You are urged to complete the required forms and file them as soon as possible.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
