Mr. Buranek  
526 Atlas Building  
Salt Lake City, Utah

Dear Mr. Buranek:

We have been advised that you recently purchased the No. 1 Government well located in the Mack Creek Field, Mesa County, Colorado, from Mr. Paul Bogdanich.

We have taken the liberty of inclosing a copy of our Rules and Regulations for your use, along with some forms which must be submitted to this Commission. They are:

OGCC Form-1 "Designation of Agent" page 9 should be self-evident.

Rule 307, OGCC Form-7 and Rule 308, OGCC Form-8 page 12, should also be self-evident.

Rule 310, OGCC Form-10 "Certificate of Clearance" page 13, should also be self-evident. As to the Certificate of Clearance, this, when properly authorized, will show change of ownership to you from Mr. Bogdanich. Under "Remarks" you should state when the purchase was effective.

Incidentally, Western Slope Gas is violating our Rules and Regulations by taking your gas before this form has been approved.

Feel free to contact us if you have any questions whatsoever in the above matters.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO
