General Comment:[ECMC Inspection Report Summary](#)

On Wednesday, 09/20/2023, Inspector Kirby Burchett, conducted a routine field inspection at Peakview Operating Company LLC on the Ence 1H well, Location #430852, in Moffat County, Colorado.
This location is within or in close proximity to a CPW District with High Priority, NSO, Density and Other Consultation Habitat Regulations.

Any Corrective Actions from previous Inspections are still applicable.

While there during normal operations the following compliance issues were observed:

1. Debris
2. No location entrance sign
3. Access information missing from wellhead sign (no tank battery present)

Refer to Inspection Photos for observed compliance issues.

A follow up on this site inspection will be conducted to ensure all compliance issues have been corrected to comply with ECMC rules.

Location

Overall Good:

Signs/Marker:			
Type	WELLHEAD		
Comment:	Sign missing required information. Emergency contact number correct?		
Corrective Action:	When no associated Tank battery is present at the Oil and Gas Location, the following information is required on the Well sign: Name of the Operator; Telephone number at which the Operator can be reached at all times; Telephone number for local emergency services (911 where available); The public road used to access the Well; Well name(s) and API number(s); The legal location of the Well(s) including the quarter/quarter section.	Date:	10/21/2023
Type	OTHER		
Comment:	Location is behind private gate. If locked, no location entrance sign information for emergency services.		
Corrective Action:	The Location Entrance sign will identify: The Well name; The Commission's Location identification number (ID #); The Operator's telephone number where it may be reached at all times; and the Telephone number(s) for local emergency services (911 where available).	Date:	10/21/2023
