Re: Mason's #2 Globe-Highline

Mason's #1 Barcus

Ralph R. Bradley's 2 Globe Highland  
Canal

E.M. Edward's-Anderson Ranch

Gentlemen:

Bond Release request of 8-10-62

The bond covering Ralph Bradley's #2 Guccini-Highline Canal,  
may be released as of September 19, 1961.

The bond covering William J. Mason's #1 Barcus well may be  
released as of March 23, 1962.

Regarding Ralph Bradley's #2 Reynolds-Globe in SESE 18-2N-2W  
we are waiting for completion report... Bond cannot be released at this time.

We understand the E.M. Edward's well #1 Anderson Ranch in the  
NW SE of 2-4N-82 W is to be a water well. In February we wrote Mr. Edwards  
requesting him to send us a copy of water permit for this well and a letter  
from the landowner releasing him of responsibility to plug well. This bond  
cannot be released until we receive same.

Very truly yours,  
OIL AND GAS CONSERVATION COMMISSION

D.V. Rogers, Deputy Director

Doucette
