Mr. Al Johnson  
Drawer 30  
Eufaula, Oklahoma

Dear Mr. Johnson:

As your secretary probably told you, I contacted you by 'phone some week or two ago regarding your No. 1 MacKinlay well located in the SE SE, Section 23, Township 6 North, Range 87 West, Routt County, Colorado, and the posting of a \$2500.00 bond, as well as to determine if the work you proposed in May was accomplished and what your future plans for the well are.

We would appreciate your advising us immediately on the above points, and if you have any questions regarding the bond please contact us.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO
