<p>COGCC Inspection Report Summary On Wednesday 10/18/2023 at approximately 13:05 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Magpie Operating Dunning #1 location #307111 in Larimer County, Colorado. While there, I observed that the NW guy line anchor was unmarked. The following possible compliance issues were observed: Rule 603.j. with a corrective action date of 11/3/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	10/18/2023
