OIL & GAS
CONSERVATION COMMISSION

May 21, 1956

Colorado Oil & Gas Conservation Commission
Denver, Colorado

Attention: Mr. Bill Smith

Gentlemen:

We are herewith enclosing Notice of Intention to Drill, with plat attached, in triplicate.

Since this is our first operation in Colorado, we are not sure as to the classification of the land - whether Fee and Patented, or State. Therefore, we elected to send the Notice in triplicate.

Trusting this complies with your requirements, we are

Very truly yours,

BASIN OIL COMPANY
