Dear Mr. Balkovatz:

On March 13, 1986 we received from Polfam Exploration Co. an Application for Permit to Drill (OGCC Form 2) their Government #2-10 well in the NE1/4NW1/4NE1/4 of Section 3, Township 1 North, Range 102 West, 6th P.M.

Order No. 2-32, Rule 5(a) states that no notice of intention to drill a well for oil or gas within 2640 feet of the Unit Area shall be approved by the Director until 10 days from the mailing of a copy of such notice to the Unit Operator.

Please contact me before March 28, 1986 if you have any objections to the approval of the permit, or if you think the bottom hole location as anticipated, will be closer than 600 feet from the boundry of the unit.

Very truly yours,

William R. Smith, P.E.  
Director
