Attention: Mr. Harold E. Hayes

Gentlemen:

On August 31, 1964, we received your OGCC Form-10, Producers Certificate of Clearance and Authorization to Transport Oil or Gas From a Lease, on your No. 1 Hayes-LuBauer well located in Section 10, T-1N, R-102W, Rio Blanco County.

On this form you indicate that a firm by the name of the Utah-Colorado Gas Company will be the transporter of oil and any gas to be produced from the lease. In a letter from the Pan American Petroleum Corp. written by them on September 1 and received by us on September 3, 1964, they list the name of your firm, among others, and state that they are to be the purchaser and/or transporter of any oil or gas produced from the Hayes-LuBauer leases.

There appears to be some misunderstanding as to who will be the transporter and/or purchaser from this lease. Will you please straighten us out in this regard?

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

J. A. McKee, Associate Petroleum Engineer
